

ROHITH A

Full-Stack Developer

rohith311710@gmail.com | Bengaluru, Karnataka, India | linkedin.com/in/rohith-a-127148284

PROFESSIONAL SUMMARY

Results-driven Full-Stack Developer with 3+ years of professional experience designing, developing, and deploying scalable web applications. Proven expertise in React.js, Next.js, Node.js, and AWS cloud infrastructure. AWS Certified Cloud Practitioner with strong foundation in clean architecture, RESTful API design, and agile development methodologies. Track record of delivering high-performance applications with 99.9% uptime and reducing load times by 60% through performance optimization.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), TypeScript, Python, Java, SQL, HTML5, CSS3

Frontend Technologies: React.js, Next.js, Redux, Tailwind CSS, Material-UI, Framer Motion, Responsive Design

Backend Technologies: Node.js, Express.js, RESTful APIs, GraphQL, Prisma ORM, Authentication/Authorization

Databases: PostgreSQL, MongoDB, MySQL, Redis, Database Design, Query Optimization

Cloud & DevOps: AWS (EC2, S3, Lambda, RDS, CloudFront), Docker, CI/CD, GitHub Actions, Vercel

Tools & Practices: Git, VS Code, Postman, Figma, Jira, Agile/Scrum, Code Review, Unit Testing

PROFESSIONAL EXPERIENCE

Full-Stack Developer

October 2022 – Present

KandraDigital, Bengaluru, India

- Architected and developed 15+ production-grade web applications serving 10,000+ monthly active users with 99.9% uptime
- Designed and implemented RESTful APIs handling 50,000+ daily requests with comprehensive documentation and testing
- Led frontend development using React.js and Next.js, achieving WCAG 2.1 AA accessibility compliance
- Reduced application load times by 60% through code splitting, lazy loading, and CDN optimization
- Deployed and managed applications on AWS infrastructure with automated CI/CD pipelines using GitHub Actions
- Collaborated with cross-functional teams using Agile methodologies to deliver features on schedule

Frontend Developer & UI/UX Designer

October 2023 – Present

KandraDigital, Bengaluru, India

- Designed and implemented responsive user interfaces with focus on minimalism and exceptional user experience
- Created reusable component libraries and design systems ensuring consistency across 10+ applications
- Optimized frontend performance achieving 90+ Lighthouse scores across Core Web Vitals metrics
- Reduced production bugs by 40% through implementation of comprehensive testing strategies
- Mentored junior developers on React best practices, code quality, and performance optimization

EDUCATION

Master of Computer Applications (MCA)

February 2025 – Present

St. Francis College, Bengaluru, India

Bachelor of Computer Applications (BCA)

April 2019 – October 2022

St. Francis College, Bengaluru, India

CERTIFICATIONS

AWS Certified Cloud Practitioner Amazon Web Services (2024)

KEY ACHIEVEMENTS

- Delivered 15+ production-grade web applications with 99.9% uptime reliability
- Reduced application load time by 60% through strategic performance optimization
- Successfully migrated legacy monolithic application to microservices architecture
- Active contributor to open-source projects with engagement in developer communities
